

make a little paragraph that rimes on coffee, highstage and plm system

ChatGPT

In the office, there's a system in place, To manage projects with speed and grace, The PLM system keeps everything on track, From ideation to the final product stack.

But when deadlines loom and stress is high, The team turns to something that will satisfy, A steaming cup of coffee, hot and strong, Helps them power through, all day long.

So when high-stakes projects loom ahead, And the team's feeling tired and half-dead, They turn to their trusty coffee machine, And drink up, feeling like caffeine kings and queens.
